Date of training material release	May 30 th 2019
Date of participants list's finalisation	May 30 th 2019
Number of participants (according to the participants list)	44
Comments	

Problems encountered during the training preparation phase

Please add your comments, if any:

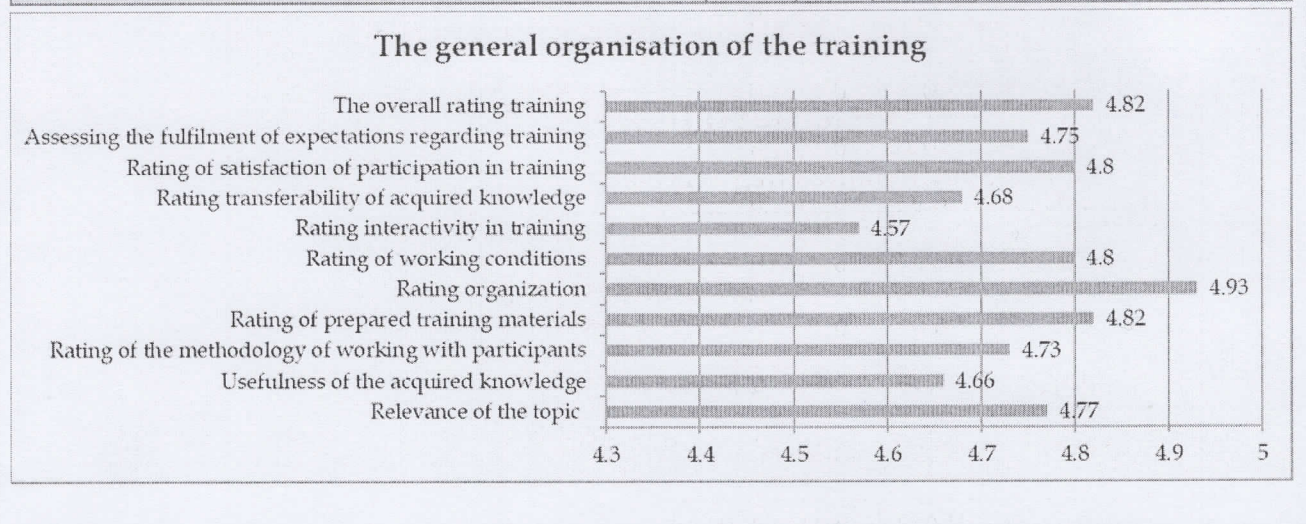

Strengths and limitations of the training (please include comments received)

Strengths of the event and contributions or activities by participants	<ul style="list-style-type: none"> - The participants found the training very useful and that more training like this should be organized in the future. - Good interaction and experience exchange among participants. - Presentations were very useful. - All presented topics were of the great importance.
Suggestions for the improvement	Concretization of the topics in the future.
Any further comments	The organisation was at the highest level.

Evaluation details

Results of evaluation the general organisation of the training

Description					
The general opinion is that the training was excellent organised.					
Table(s)/Figure(s)					
Grading	Poor	OK	Good	Very Good	Excellent
Relevance of the topic	0	0	2.3	18.2	79.5
Usefulness of the acquired knowledge	0	0	2.3	29.5	68.2
Rating of the methodology of working with participants	0	0	4.5	18.2	77.3
Rating of prepared training materials	0	0	0	18.2	81.9
Rating organization	0	0	0	6.8	93.2
Rating of working conditions	0	0	4.5	11.4	84.1
Rating interactivity in training	0	0	4.5	34.1	61.4
Rating transferability of acquired knowledge	0	0	6.8	25	68.2
Rating of satisfaction of participation in training	0	0	0	20.1	79.9
Assessing the fulfilment of expectations regarding training	0	0	4.5	15.9	79.6
The overall rating training	0	0	0	18.2	81.8

Results of evaluation the general participant expectations

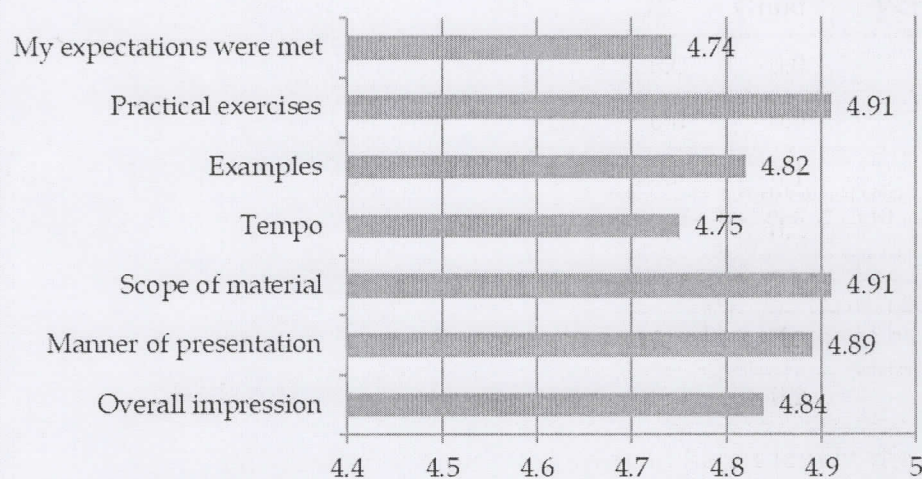

Description

Participants agreed in total that the training can help them in the future.
