Minutes of the Field Monitoring of NatRisk Project

Venue: UPKM/Faculty of Technical Sciences
Knjaza Milosa 7, Kosovska Mitrovica
Date: 09/05/2017

The monitoring meeting was scheduled upon request of Mr. Goran Lazic, National Erasmus Officer (hereinafter referred to as NEO) in order to present all project activities, planned and realized objectives, project documentation etc., carried out during the implementation of the Erasmus+ project **Development of master curricula for natural disasters risk management in Western Balkan countries**. The meeting was held on 9 May 2017 from 9:45 am. It was hosted by the Faculty of Technical Sciences/FTS UPKM.

Welcome and Opening

Introductory speeches:

- Mr. Nebojsa Arsic, Dean FTS
- Mr. Goran Lazic, NEO.

Mr Nebojsa Arsic welcomed participants and opened the meeting with short introductory speech about the project. He welcomed Mr. Goran Lazic and invited him to take the floor.

Mr. Goran Lazic also welcomed all participants and presented the aim of the meeting and his expectations about necessary information.

Meeting continued in accordance with the foreseen agenda.

-Mrs. Jelena Djokic presented activities and results achieved during the course of the Project, implemented by FTS UPKM team. Presentation included information about analysis of past experiences and present situation in relation with the preparedness and organization of different public structures in charge for emergency situations, as well as necessary measures which should derive from the project in order to improve existing situation. Creation of new one-year master study program within the framework of NatRisk project should be the main objective of the project and the first draft of the future curriculum was presented during Vienna meeting. Since the beginning of the project UPKM team carried out the following activities:

- Compilation of the Report about Natural Disasters in Kosovo*
- Survey on the public awareness about natural disasters in Kosovo*
- First draft on the one-year master study program about natural disasters

Mrs. Djokic also mentioned future goals of the project, including training of public officials and the involvement of private sector.

Mr. Nebojša Arsić, presented UPKM team members and plan of future activities.

Mr. Predrag Stanojević, Director of the Technicala Collage of Applied Sciences-Urosevac/ TCASU and Mrs. Jelena Rajević welcomed all participants, presented TCASU project team as well as activities carried out by TCASU team, in relation with implementation of project goals, including workshop on master curricula best practices, development of master curriculum, survey, dissemination with detailed explanations. They also mentioned planned future activities – purchase of equipment and software for the laboratories of TCASU and UPKM, dissemination and other activities.

Mr. Goran Lazic summarized presented information and expressed his personal satisfaction with the course of the project and achieved goals. He informed participants that he will prepare official report from the meeting which will be delivered to the EK.
